

## TOEFL i-BT & IELTS Preparation Course

During the 2011-12 academic year, the University Language Centre will be organizing an exam preparation course for students seeking certification via the TOEFL-iBT (Test of English as a Foreign Language – Internet-based) and IELTS (International English Language Testing System).

The course will focus on developing effective skills for the various sections of these tests (reading, listening, speaking, writing). Advice and tips on test-taking strategy will be provided.

The 30 hours of classroom lessons will be supplemented by computer-based and online practice.

The course is intended for Master's-level students who already have a B2 English language level or higher. No course credits will be granted for course attendance and the CLA will not issue any certification, which can only be provided by the exam organizations themselves through their exclusive testing centres.

Attendance will be compulsory for this course, which is free for a maximum of 20 participants selected among applicants by way of a placement test.

To attend the exam prep course, students must register between 07/11/2011 and 19/12/2011 on the CLA web site page:
