

Call for Papers
Special Issue on “Energy Finance”
Decisions in Economics and Finance
Springer, ISSN: 1593-8883 (Print) 1129-6569 (Online)

Decisions in Economics and Finance is the official publication of the Association for Mathematics Applied to Social and Economic Sciences (AMASES) and is ranked at the highest level in ratings for access to Italian ASN. The journal provides a specialized forum for the publication of research in all areas of mathematics as applied to economics, finance, insurance, management, and social sciences. Primary emphasis is placed on original research exploring topics in mathematics or computational techniques that are explicitly motivated by or contribute to the analysis of economic or financial problems. *Decisions in Economics and Finance* is abstracted and indexed in the following databases: SCOPUS, Zentralblatt Math, EconLit, Google Scholar, EBSCO, ProQuest, Academic OneFile, CSA Environmental Sciences, ECONIS, Expanded Academic, Mathematical Reviews, OCLC, Research Papers in Economics (RePEc), SCImago, STMA-Z, and Summon by ProQuest.

The Guest Editors:

Loretta Mastroeni (Roma TRE University, Italy) loretta.mastroeni@uniroma3.it

Ralf Wunderlich (Brandenburg University of Technology, Germany) ralf.wunderlich@b-tu.de

are very pleased to invite you to submit your paper for consideration for this Special Issue.

The closing date for submissions is ~~30th November 2020~~.

EXTENDED DEADLINE : JANUARY 31st, 2021

While not restricting the topics covered, we welcome the submission of articles reflecting novel research and contributions on the following subjects:

- Energy risk management;
- Energy derivative markets;
- Renewable energy finance;
- Quantitative analysis in energy markets;
- Energy and financial markets;
- Energy markets: modeling, simulation and forecasting;
- Energy efficiency;
- Energy implications of environmental regulations;
- Energy and social development;
- Energy storage in power systems.

Manuscript Submission

Submitted papers should be original works and should not have been previously published nor be currently under consideration for publication elsewhere. The manuscripts should be prepared in keeping with the Instructions for Authors provided on the *Decisions in Economics and Finance* homepage: <http://www.springer.com/economics/economic+theory/journal/10203>

All manuscripts should be submitted electronically using the journal's online manuscript submission system at: <https://www.springer.com/journal/10203/updates/18379792>

Authors: please select “Special issue on “ **Energy Finance**” when you reach the “Select Article Type” step in the submission process.

While ensuring the high quality of the works to be published, the journal will follow an accelerated review process. All papers will be refereed in the usual way.

With best wishes

Loretta Mastroeni
